

TD 1500

Cutlery polisher – the space saver

Made in Germany

TECHNICAL DATA

dimensions (l x w x h):	52 x 44 x 43,5 cm
weight:	30 kg
installed load:	330 W
power supply:	220 / 230 V

Price:

YOUR ADVANTAGES AT A GLANCE

- ▶ **space saving and low cost**
can be used even in smallest kitchens due to its compact construction
- ▶ **quick and efficient**
dries and polishes 3.000 – 4.000 cutlery pieces per hour in only one working step
- ▶ **clean and hygienic**
the cutlery looks like new and is sterilized by an UVC-lamp
- ▶ **cost-saving and economic**
low operating expenses and cost-savings due to the gain of the time
- ▶ **solid and durable**
high-grade materials and a solid construction
- ▶ **user-friendly and low-maintenance**
simple and safe handling due to the well-thought-out design
- ▶ **service-orientated and guaranteed**
as manufacturer we offer spare parts-guarantee and service

The clean and wet cutlery is given directly into the TD 1500.

The cutlery is spirally transported upwards through a high-grade sterile granulate and is dried and polished. The installed ventilator prevents that granulate comes out of the machine.

The regular use of TD 1500 keeps your cutlery shining.

The simple operation of TD 1500

Whether chromium, stainless steel or even high-grade silver – the clean and wet cutlery is given directly from the dishwasher into the cutlery polishing machine TD 1500.

Via the internal vibrating conveyor it is spirally transported upwards through a high-grade granular substance. This purely natural product dries and polishes your cutlery and keeps it shining– with just a single run. The granulate has to be exchanged every 4 – 8 weeks depending on the frequency the machine is used. The machine operates very quietly due to a special spring system.

Your cutlery will not only pass the inspection by your guests, it even meets the strict EU-Hygienic Guidelines: a special UVC-lamp sterilizes both, the cutlery and the granulate.

The constant use of the TD 1500 reduces the oxidation of cutlery in a remarkable way and makes it look noticeably better. As manufacturer we offer you a 10-years spare parts-guarantee and service.

Special technical features

- ▶ low priced model for first-time users
- ▶ space saving
- ▶ ventilator for perfect shine

Option – mobile underframe TD 1500
